Dinner and Celebration of Transformed Lives

Featured Guest Speakers: Misty Gomel, HIM graduate and current staff member.

The graduates of Hope Inspired Ministries (HIM) are more than success stories, they are stories of resilience, redemption, and restored dignity through Christ. Before joining HIM, many of our students face overwhelming barriers: no identification or work history, limited education or job skills, financial instability, and emotional or spiritual brokenness. But God meets them right where they are.

Through faith-based guidance, practical life skills, and a supportive community, our students are equipped not only for employment, but for a life of purpose. The program includes:

- Job readiness, interview prep & professional conduct
- Financial literacy & personal goal setting
- Communication, conflict resolution & character development
- Spiritual discipleship & life coaching

Most importantly, they gain a family of faith that believes in their God-given potential.

As guest speakers, our graduates share powerful testimonies of transformation stories that shine with hope, healing, and second chances. They remind us all of God's promise in Jeremiah 29:11:

"For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future."

Their voices are not just inspiring, they are living proof that with Christ, no story is too broken to be rewritten.
